

[GSA OIG Contractor Reporting](#)

The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to amplify the requirements for a contractor code of business ethics and conduct, an internal control system, and disclosure to the Government of certain violations of criminal law, violations of the civil False Claims Act, or significant overpayments. This final rule implements Pub. L. 110-252, Title VI, Chapter 1.

Effective Date: December 12, 2008.

Under the rule, a contractor must timely disclose to the relevant agency's Office of Inspector General, in connection with the award, performance, or closeout of a Government contract performed by the contractor or a subcontract awarded thereunder, credible evidence of a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act.
