**[GSA Complied with the Payment Integrity Information
Act in Fiscal Year 2022](#)**

We performed an audit of GSA's compliance with the Payment Integrity Information Act of 2019 (PIIA) in Fiscal Year (FY) 2022 and have no reportable findings or recommendations.

We performed this audit as required by the PIIA. This law aims to improve efforts to identify and reduce government-wide improper payments. The PIIA requires federal agencies to review their programs and identify those that are susceptible to significant improper payments. For programs identified, agencies are required to estimate, report, and reduce improper payments through corrective action. Within GSA, the Office of the Chief Financial Officer is responsible for financial reporting and ensuring compliance with the PIIA. The PIIA requires each agency's Office of Inspector General to assess agency compliance in six areas. Our audit objective was to determine if GSA complied with the PIIA in FY 2022.
